This list includes suggested authors and titles to assist parents in choosing books that reflect their child's reading level, interests, and family values. Many reading levels appear among students in the same grade. These suggestions include picture books enjoyed by a wide audience, series for developing readers, chapter books suitable for more advanced readers, and books to encourage a variety of nonfiction interests.

Book lists with current popular titles are also widely available on the Internet. Check these sites for titles that may interest your student:
